

# Engels on Communism

“

What is involved  
is to create  
for all people

such a condition that **everyone** can freely develop his human nature and live in a human relationship with his neighbours, and has no need to fear any violent shattering of his condition...

Far from wishing to **destroy** real human life with all its requirements and needs, we wish on the contrary really to **bring it into being**.

- F. Engels,  
“Speeches in Elberfeld”
