

Engels on the Proletariat

The proletariat is helpless; left to themselves, they cannot live a single day.

The bourgeoisie has gained a monopoly of all means of existence in the broadest sense of the word.

What the proletariat needs, they can obtain only from this bourgeoisie, which is protected in its monopoly by the power of the state.

The proletariat is, therefore, in law and in fact, the slave of the bourgeoisie, which can decree his life or death.

Friedrich Engels,
Speech at the Grave of Karl Marx
