

# Lenin on Organization Without Principles

**Organisation not based on principle is meaningless, and in practice converts the workers into a miserable appendage of the bourgeoisie in power.**

**Therefore, the proletariat does not recognise unity of action without freedom to discuss and criticise. Therefore, class-conscious workers must never forget that serious violations of principle occur which make the severance of all organisational relations imperative.**

**Vladimir Lenin,**  
Party Discipline and the  
Fight Against the Pro-Cadet  
Social-Democrats
