“

The proletariat must

(after mustering sufficiently strong political and military “striking forces”) overthrow the bourgeoisie, **take state power from it in order to use that instrument for its class aims.**

What are the class aims of the-proletariat?

Suppress the resistance of the bourgeoisie;

Neutralise the peasantry and, if possible, win them over at any rate the majority of the labouring, non-exploiting section to the side of the proletariat;

Organise large-scale machine production, using factories, and means of production in general, expropriated from the bourgeoisie;

Organise socialism on the ruins of capitalism.
