

Lenin on Freedom under Capitalism

Freedom in capitalist society always remains about the same as it was in the ancient Greek republics:

freedom for the slave-owners. Owing to the conditions of capitalist exploitation, the **modern wage slaves are so crushed by want and poverty** that "they cannot be bothered with democracy", "cannot be bothered with politics"; in the ordinary, peaceful course of events, the **majority of the population is debarred from participation in public and political life.**

- Vladimir Lenin,
State and Revolution
