Lenin on Hope of Capitalist Reform

Original article

2026-11-29

This class invested billions "in the war", and is making hundreds of millions "out of the war" and annexations (i.e., out of the subjugation or forced incorporation of alien nationalities). To believe that the capitalist class will "mend its ways", will cease to be a capitalist class, will give up its profits, is a fatuous hope, an idle dream, and in effect a deception of the people.

Vladimir Lenin, Honest Defencism Reveals Itself
