

# Lenin on Revolutionary Violence

“  
**The new authority  
does not drop  
from the skies,**

but grows up, arises parallel with,  
and in opposition to the old  
authority, **in struggle against it.**

Unless force is used **against  
tyrants armed with the weapons  
and instruments of power**, the  
people cannot be liberated from  
tyrants.

- Vladimir Lenin,  
*A Contribution To The History Of  
The Question Of The Dictatorship*
