

Lenin on the Middle Course

There can be no “middle” course

in a **society rent by bitter class struggle** between the bourgeoisie and the proletariat, particularly when this struggle is inevitably aggravated by a revolution.

And the whole essence of the class position and aspirations of the **petty bourgeoisie** is that they want the impossible, that they aspire to the impossible, i. e., to a “middle course”.

- Vladimir Lenin,
*The Class Origins of Present-Day
and “Future” Campaigns*
