

# **Lenin on the Outcome of Ignoring Differences Between the Workers and Capitalists**

**For the worker to abandon differences on questions of principle with the bourgeoisie... is tantamount to abandoning socialism, to abandoning the idea of socialism, and the preparatory work for socialism.**

**For the worker, in short, it means abandoning the idea of his economic emancipation, the emancipation of the working people from poverty and oppression.**

**Vladimir Lenin,**  
A New Revolutionary  
Workers' Association
