**A nation is not merely a historical category but a historical category belonging to a definite epoch, the epoch of rising capitalism.**

**The process of elimination of feudalism and development of capitalism is at the same time a process of the constitution of people into nations.**

**Such, for instance, was the case in Western Europe.**

**The British, French, Germans, Italians and others were formed into nations at the time of the victorious advance of capitalism and its triumph over feudal disunity.**
