

# Stalin on the Modern World

**What would happen  
if the capitalists  
managed to destroy  
the Soviet Republic?**

There would set in an era of the **blackest reaction** in all the capitalist and colonial countries, the working class and the oppressed peoples **would be seized by the throat**, the positions of international communism **would be lost**.

Joseph Stalin, "Once More on the  
Social-Democratic Deviation in our Party"
