

Stalin on the Party

Was Lenin right

Joseph Stalin
*The Political Strategy and Tactics
of the Russian Communists*

in waging an **uncompromising struggle** against the conciliators?

Yes, for had he **not done so**, the Party would have been diluted and would have been not an organism, but a conglomeration of **heterogeneous** elements;

it would not have been so welded and united internally; it would not have possessed that unexampled **discipline** and unprecedented **flexibility** without which it, and the Soviet state which it guides, **could not have withstood** world imperialism.

"The Party becomes strong by purging itself",
– rightly said Lassalle.

Quality first
and then quantity.
