

The Bolsheviks vs. the White Guards

THE BOLSHEVIKS

1. Fought for social justice, for socialism
2. Defended the interests of workers and peasants
3. Firmly defended the country from foreign intervention
4. Started economic recovery
5. Introduced universal free education, medicine, etc. social benefits
6. Created the USSR

THE WHITE GUARDS

1. Fought for the oppression of workers and peasants, for capitalism with the fascist dictatorship
2. Defended the interests of big capital and the bourgeoisie
3. Approved and supported the intervention against Russia
4. Did not have a clear plan for governing the country
5. Tried to restore the old order with the help of white terror.
6. Splitting Russia and making it capitalist colony
